3 ft Cat5e Red Snagless Crossover RJ45 UTP Cat5e Patch Cable 3ft Patch Cord

Product ID: 45CROSS3RD

StarTech.com's Cat5e UTP Snagless Crossover Patch Cables offer reliable Ethernet connections. This 3 ft cable meets all Category 5e specifications, and features a durable red jacket that simplifies departmental color coding while providing rugged flexibility for network connections.

To ensure long-lasting performance, our high quality Cat5e UTP Snagless Crossover Patch Cables feature a snagless design that protects the RJ45 clip from damage and makes the cables less prone to snagging during installation. The cables also feature PVC molded strain relief that prevents the RJ45 connector termination point from bending at sharp angles - reducing the risk of cable damage that could decrease network performance.

StarTech.com's 3 ft Red Cat5e UTP Snagless Crossover Patch Cable is constructed of only top quality materials to ensure optimum durability and is backed by our Lifetime Warranty.
