Multi-Directional Vertical Server Rack Cable Management D-Ring Hook 2.4x3.9in (6x10cm)

Produkt ID: CMHOOKMW

The CMHOOKMW Multi-Directional Vertical Cable Management D-ring lets you add an internal or external facing cable hook to your server rack or cabinet, to provide an organized channel for cables.

Constructed of high-quality steel, the cable management ring measures 2.4 x 3.9in (6 x 10cm). For flexible mounting options, the cable ring features a right-angled mounting bracket with 2 sets of mounting holes, enabling you to face the D-ring in the direction that best fits your application. Providing strain relief for attached cables, multiple cable rings can be attached to your rack where you need them for a versatile cable management solution.

Backed by a StarTech.com 2-year warranty.

Certifikat, rapporter och kompatibilitet
