Privacy Screens

Protect confidential information on workstation monitors or laptop screens from being viewed in public spaces or when traveling.

Discover our broad portfolio of privacy filters to support laptops, 2-in-1s, MacBooks, and desktop monitors in environments with new and legacy ecosystems.

Enterprise Grade Privacy Filters
Built with Microlouver technology to provide black-out privacy outside of the +/- 30 (60 total) degree viewing angle and maintains high image clarity for the user.

Suitable for any Environment
Reversible 2-in-1 filter has a matte side to eliminate glare by diffusing light reflections. Glossy side provides added privacy with a quicker black-out transition while maintaining contrast and color vibrancy.

Blue Light Reduction
Decrease blue light transmission up to 50% to reduce eye strain without compromising privacy.

Durability and Easy Maintenance
Fingerprint, dust and scratch resistant coating is easy to clean using the included microfiber cloth. A protective sleeve is included to protect the filter when not in use.
