

10ft USB-C to HDMI Adapter Cable, Gripping HDMI Connector, 4K 60Hz, Thunderbolt Compatible, HDR, Uni-Directional Cord for MacBook, Dell, HP, Lenovo

Nº de produit: 10F-USBC-HDMI-4K60-G

Connect USB-C laptops to 4K 60Hz HDMI displays with a single 10ft active adapter cable that delivers stable, high-bandwidth video and audio for professional workspaces.

Avoid costly interruptions in boardrooms, hot desks, and collaboration areas. The gripping HDMI connector resists vibration and strain, helping maintain a secure connection to the display even when cables are frequently connected and disconnected.

Speed up installs with clear markings on the connector that verify the HDMI cables capabilities at a glance. Drive HDR-ready 4K 60Hz video with full 4:4:4 / RGB color and 7.1-channel audio for clear text and visuals. The integrated cable and adapter design reduces signal loss, cuts down on clutter, and removes common failure points.

Roll out instantly with this driverless cable that works on any operating system and all hardware platforms. Deliver uncompressed, high-bandwidth video via the host's native GPU rather than CPU-driven USB video processing, resulting in lower latency, reduced CPU utilization, and more reliable performance, making it ideal for quick installs, conference rooms, and standardized deployments.

OperatingSystem
Independent

Applications

- Connect USB-C laptops and tablets to 4K 60Hz HDMI displays in conference rooms, control centers, and workstations
- Deploy a USB-C to HDMI solution in enterprise environments without requiring additional adapters or drivers

Spécifications techniques

- High-Performance Adapter Cable: Connect a USB-C laptop to an HDR-ready 4K 60Hz HDMI display using this 10ft active adapter cable that delivers 18Gbps bandwidth, full 4:4:4 / RGB color, 7.1ch audio, and HDCP 2.3 support
- Prevent Costly Cable Disconnects: Maintain stable video links in busy workspaces with a gripping HDMI connector that resists vibration and cable strain, keeping the cable connected to the display in boardrooms, hot desks, and collaboration areas
- Identify HDMI Performance Instantly: Speed up installs with clear markings on the connector that verify the cables capabilities at a glance; Integrated adapter design reduces connection points that cause dropouts, handshakes issues, and field failures
- Deploy Instantly Across Any Platform: Eliminate setup delays with this driverless universal cable that works with all hardware platforms and any OS; Uses the GPU (Intel / AMD / Nvidia) to deliver high-performance graphics with minimal CPU overhead
- The IT Pro's Choice: Our display and video adapters are rigorously tested in our Innovation Lab to ensure enterprise-grade reliability and durability; Built to support large-scale deployments, Windows 11 upgrades, and the shift to AI-enabled PCs

Général

UPC	065030925662
Warranty	3 Years

Caractéristiques Physiques et Environnementales

Couleur	Black
Diamètre Extérieur du Câble	0.2 in [4.5 mm]
Product Length	120.0 in [3047 mm]

Weight of Product	5.5 oz [155 g]
Température de fonctionnement	0°C to 40°C (32°F to 104°F)
Température de stockage	-20°C to 70°C (-4°F to 154°F)
Humidité	10% ~ 90% RH

Performances

Vitesse max. de transfert de données	18Gbps
Bande passante	18Gbps
Spécifications audio	HDMI - 7.1 Channel Audio
Résolutions numériques max.	3840 x 2160 @ 60Hz
Révision Vidéo	HDMI 2.0

Matériel

4K Support	Oui
Entrée AV	USB-C
Sortie AV	HDMI
Audio	Oui
Placage du connecteur	Gold
Type de gaine de câble	TPE - Thermoplastic Elastomers
Type de bus	USB-C
ID du chipset	VL600

Emballage et Contenu de la Boîte

Inclus dans le paquet	1 - USB-C to HDMI Cable
Package Width	4.3 in [110 mm]
Package Depth	7.5 in [190 mm]

Package Height 0.9 in [23 mm]

Shipping (Package) Weight 5.5 oz [155 g]

Connecteur(s)

Connecteur 1 (Quantité) 1

Connecteur 1 USB-C DP++ (DP Alt-Mode)

Connecteur 2 (Quantité) 1

Connecteur 2 HDMI
