

2-Pack 1U Server Rack Shelf, Vented Rackmount Cantilever Tray for 19" Network Rack or Cabinet, Heavy-Duty 10" (25cm) Deep, Up to 44lb (20kg) Each

Product ID: CABSHELFV1U-2PK

Choose a 2-pack of 1U vented cantilever shelves to expand rack storage and keep builds consistent across sites.

Get two matching 1U vented cantilever rack shelves to standardize builds across racks or sites, simplify rollouts, and keep layouts consistent in network closets, AV cabinets, and lab environments.

A perforated rackmount shelf promotes consistent airflow to reduce hotspots around servers and AV gear, helping maintain uptime in tight closets, studios, and office racks where heat can build up fast.

Each shelf is made of SPCC cold-rolled steel and uses a front-mount cantilever design that supports the tray from the front rack posts. Supports 44lb (20kg) per shelf and is tested to 1.5x load for dependable load-bearing performance.

Certifications, Reports and Compatibility

Applications

Features

- **Deploy Across Multiple Racks or Cabinets**: Get two 1U vented cantilever rack shelves to outfit multiple racks, support parallel installs, and keep layouts consistent across network closets, AV cabinets, and lab environments
- **Maintain Consistent Rack Layouts**: Standardize builds with matching 1U shelves across racks or sites, so equipment placement stays consistent in office, branch, and data room deployments

- **Keep Heat Down Across More Builds**: Perforated rackmount shelf promotes consistent airflow to reduce hotspots on servers and AV gear, helping protect uptime in dense closets, studios, or office racks
- **Heavy-Duty Steel Construction**: SPCC cold-rolled steel with a front-mount cantilever design, supports 44lb (20kg) per shelf and tested to 1.5x load for dependable load-bearing performance for network hardware, tools, and critical equipment
- **The IT Pro's Choice**: Our rack accessories are tested in our Innovation Lab for reliable performance and consistent fit across professional deployments; Backed by free lifetime 24/5 multilingual technical assistance

Hardware

Warranty	2 Years
Rack Type	2-Post
Frame Type	Steel
U Height	1U
Cable Management	No
Industry Standards	EIA/ECA-310-E

Performance

Weight Capacity (Stationary)	706.0 oz [20000 g]
------------------------------	--------------------

Physical Characteristics

Color	Black
Material	Steel
Internal Width	17.1 in [43.5 cm]
Product Length	19.0 in [48.3 cm]
Product Width	9.8 in [25.0 cm]
Product Height	1.7 in [4.3 cm]
Weight of Product	4.0 lb [1.8 kg]

Packaging Information

Package Quantity	2
Package Length	14.4 in [36.5 cm]

Package Width	22.4 in [57.0 cm]
Package Height	2.8 in [7.0 cm]
Shipping (Package) Weight	10.0 lb [4.5 kg]

What's in the Box

Included in Package	2 - 1U Fixed Shelf
	8 - M6 Screws
	8 - M6 Nuts
	8 - Plastic Washers
	1 - Product Documentation
