

6 ft. (1.8 m) DisplayPort to DVI Cable - 1920x1200 - M/M

Product ID: DP2DVIMM6

This DisplayPort to DVI cable lets you connect your DP enabled device to a DVI monitor, TV or projector with just one cable, for a convenient, clutter-free connection.

This DP to DVI cable provides high bandwidth video transmissions, supporting monitor resolutions up to 1920x1200 or HDTV resolutions up to 1080p. The adapter cable takes full advantage of your DVI capable display while harnessing the video capabilities built into your DisplayPort connection to deliver every detail in stunning high-definition.

At 6 ft. (1.8 m) in length, this DVI adapter cable delivers a direct connection that eliminates excess adapters and cabling, ensuring a tidy, professional installation. As well, the cable is easy to use, and requires no additional software or drivers, supporting a true plug-and-play set up.

This DisplayPort to DVI cable makes your DP computer fully compatible with existing DVI monitors or displays in your home or around the office. You can use the cable to either connect to a DVI display or add an additional monitor to your workstation, helping to boost your productivity.

DP2DVIMM6 is backed by a StarTech.com 3-year warranty and free lifetime technical support.

Note: This is a passive adapter cable that requires a DP++ port (DisplayPort++), meaning that DVI and HDMI signals can also be passed through the port.

Certifications, Reports and Compatibility

Applications

- Add an additional display to your computer system

- Connect your DVI monitor to a DisplayPort equipped device using a single cable

Features

- Enhance your productivity by adding a secondary monitor to your workstation
- Reduce clutter with a DisplayPort to DVI adapter and cable in one
- Experience crystal-clear picture quality with support for high-definition video resolutions up to 1920x1200 or 1080p
- Hassle-free setup with plug-and-play installation
