

Clamp-On Steel Desk Corner Sleeve for L-Shaped/Corner Desk, For 0.5-1.5in (12.7-38.1mm) Desks, Increase Space for Keyboard/Mouse, Desk Extender/Tray For Wooden/Steel Desks, Ships Assembled

Product ID: DSKCRNRSLV

This Desk Corner Sleeve clamps into the corner of a 90 L-Shaped or Corner desk to increase ergonomics and workspace. The Desk Corner Sleeve ships fully assembled, enabling rapid deployment in the office or at home.

Add 25x13.1in (635x332 mm) to the corner of an L-shaped desk creating enough area for a keyboard and a mouse. The Desk Corner Sleeve is compatible with desks 0.5 to 1.5in (127 to 381mm) thick. The desk extender enhances the ergonomics of corner desks by supporting the wrists while typing.

Achieve the ideal distance from a monitor by setting it up on the corner of the desk for improved ergonomics and reducing eye strain.

The Desk Corner Sleeve's low-profile design eliminates common issues associated with conventional knob-style alternatives, such as accidental knee impacts or potential damage to a chair's armrest. The clamp provides two installation options: attach it directly to the desk or fasten it to a wooden desk using the included wood screws.

The protective foam strips on the desk extender protect the desk surface.

Note: The provided screws are for 0.8in (20mm) or thicker wooden desks only. If using a thinner desk, the screws may damage the desk's top surface.

Built to last, the Desk Corner Sleeve features a robust steel sheet construction to ensure its longevity and to keep it firmly in place.

Certifications, Reports and Compatibility

Applications

Features

- **MAXIMIZE DESK SPACE:** This steel desk corner sleeve provides additional space when using 90 L-Shaped/Corner desks; Usable surface is 25x13.1in (63.5x33.2cm) for keyboards/mice/other devices; Supported desk thickness 0.5-1.5in (1.2-3.8 cm)
- **INNOVATIVE CLAMP:** The Knob-less clamp removes common issues that a knob-style clamp may pose, such as accidental knee impacts or damaging a chair's armrests; Low-profile clamp enables to attach it directly to the desk or (optional) affix using wood screws
- **ENHANCED ERGONOMICS:** Maximize the work area, adding space for a keyboard and a mouse; Support wrists on the desk extender and use a wrist rest for optimal ergonomic position; Create additional distance from the monitor(s) for enhanced ergonomics
- **DURABLE & STURDY:** Corner sleeve's all steel construction and sturdy clamp/screw design ensures it stays firmly in place without budging; Powder-coated finish provides added durability; Ships fully assembled for effortless setup; REACH compliant
- **DAMAGE-FREE INSTALLATION:** Protective foam padding and no-drill installation with the innovative clamp ensure that the desk platform won't damage the desk surface; Desk extension tray is backed for five years; Use the corner sleeve for wooden/metal desks

Hardware

Warranty	5 Years
Wallmountable	No
Tools Included	Yes
Mounting Options	Desk Clamp
Mounting Surface Thickness	0.5-1.5 in (12.7-38.1 mm)
