Product ID: DVIDDMMBA6

The DVIDDMMBA6ft Dual Link DVI-D cable features a standard DVI-D dual link connector as well as a DVI-D dual link connector that is situated on an downward angle relative to the shaft of the cable, requiring only 40mm of space at the connection point.

The perfect solution for making digital video connections in tight spaces, the design of the downwardangle cable connector helps prevent damage to the cable and ensures long-lasting performance by eliminating the need to bend or strain the cable to account for a lack of space.
