

3 ft Power eSATA Cable - M/M

Product ID: ESATAUSB3

This 3 ft power eSATA cable features two male power eSATA connectors, allowing you make a direct link between devices equipped with the USB/eSATA combination ports.

An ideal solution for connecting external hard drive enclosures to your laptop or desktop computer, this high quality cable provides a full speed eSATA connection combined with a USB connection that can be used to power the external storage (where supported) - even if using a laptop computer running on battery power.
