

USB 3.0 Flash Memory Multi-Card Reader / Writer with USB-C - SD, microSD, CompactFlash

Product ID: FCREADU3C

Ideal for creative professionals, this multi-card reader/writer saves you time and helps you work more efficiently when working with a wide variety of flash media, letting you quickly transfer and back-up files. It supports SD (Secure Digital), microSD, and CompactFlash cards, and connects to the USB-C port on your tablet, smartphone, laptop or desktop computer.

The multi-card reader makes it easy to offload photos, video, and other files you've saved on your memory cards, providing fast access through USB 3.0 (also known as USB 3.1 Gen 1) with file transfer speeds up to 5Gbps. The reader increases workflow efficiency for creative professionals such as photographers and videographers. It helps to increase your productivity by saving you time when offloading raw images or editing video and photos, and backing up files.

The card reader is also backward compatible with USB 2.0, ensuring compatibility with older systems.

This multi-card flash reader gives you the flexibility and convenience of accessing multiple types of memory cards. It gives you read and write access to virtually any format of flash media card from your digital cameras or video cameras, with support for SD, SDHC (Secure Digital High Capacity), SDXC (Secure Digital Extended Capacity), microSD and CompactFlash cards. You can easily review files or back up and archive data from your smartphone, tablet, laptop or other USB Type-C enabled device. The three memory card slots for SD, microSD, and CompactFlash cards are all hot swappable, for additional flexibility.

The card reader gives you a portable solution for accessing a wide variety of memory cards anywhere you go. With its small form factor, it fits easily into your pocket, backpack, briefcase or laptop bag. The integrated USB Type-C cable lets you quickly connect to a computer or pack it up quickly when you're done using it, without having to carry an additional cable with you. The card reader is powered directly from the USB port and supports plug-and-play installation, with no driver or software installation required.

The FCREADU3C is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Transfer photos, videos or other files from your SD, microSD, and CompactFlash cards to your USB-C enabled tablet, laptop or other device
- Gain greater efficiency when working with a variety of memory cards - ideal for creative professionals including photographers, videographers, and graphic designers

Connector(s)	Drive Connectors	microSD
	Drive Connectors	SD / MMC

	Drive Connectors	CompactFlash (50 pin) Slot
	Host Connectors	USB Type-C (24 pin) USB 3.0 (5Gbps)
Software	OS Compatibility	OS independent; No software or drivers required
Special Notes / Requirements	System and Cable Requirements	Available USB port
Environmental	Operating Temperature	-20C to 70C (-4F to 158F)
	Storage Temperature	-20C to 75C (-4F to 167F)
	Humidity	5% ~ 90% RH
Physical Characteristics	Color	Silver & Black
	Material	Aluminum and Plastic
	Cable Length	7.9 in [2 cm]
	Product Length	2.7 in [68.000 mm]
	Product Width	2.5 in [64.000 mm]
	Product Height	0.6 in [14.000 mm]
	Weight of Product	2.4 oz [67.000 g]
Packaging Information	Package Length	4.1 in [1.0 cm]
	Package Width	5.1 in [1.3 cm]
	Package Height	1.2 in [31.000 mm]
	Shipping (Package) Weight	3.7 oz [104.000 g]
What's in the Box	Included in Package	multi-card reader and writer
	Included in Package	quick-start guide
