

3ft (1m) HDMI to Mini DisplayPort Cable 4K 30Hz - Active HDMI to mDP Adapter Converter Cable with Audio - USB Powered - Mac & Windows - Male to Male Video Adapter Cable

Product ID: HD2MDPMM1M

This 3.3 ft. HDMI to Mini DisplayPort cable (male to male) lets you connect an HDMI video source, such as your laptop, desktop, Blu-ray player or camera, to a Mini DP monitor or display without the need for additional video cables and adapters.

With support for 4K at 30Hz, you get a sharp, crisp picture that's richer and more true-to-life than traditional HD, with far greater detail. The HDMI to Mini DisplayPort adapter cable delivers UHD content to your mDP display and supports 7.1 channel surround audio.

The video converter is also backward compatible with 1440p and 1080p displays, which makes it a great accessory to for your existing setup at home or in the office.

At 3.3 ft. (1 m) in length, this HDMI to mDP cable delivers a compact connection that eliminates excess adapters and cabling, ensuring a tidy, professional installation. For longer installations, we also offer a 6.6 ft. (2 m) adapter cable, enabling you to choose the right cable length for your custom installation needs.

This active HDMI to Mini DP converter offers plug-and-play installation, providing a hassle-free setup with no software or drivers to install. The adapter cable is powered via a USB port, avoiding the need for external power adapters.

HD2MDPMM1M is backed by a StarTech.com 3-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Connect your HDMI computer to a Mini DisplayPort monitor
- Ideal for boardroom or office workstations
