

2.5in Anti-Static Hard Drive Protector Case - Blue (3pk)

Product ID: HDDCASE25BL

The HDDCASE25BL 2.5-inch Anti-Static Hard Drive Protector Cases provide convenience and safety for almost any bare 2.5-inch SATA or IDE Hard Drives (HDD) or Solid State Drives (SSD).

Constructed from a rugged anti-static rated plastic, these cases resist electrostatic build up and discharge, keeping sensitive equipment from harm - ideal for preventing accidental electrostatic discharges (ESD) in any environment where bare hard drives are handled, and also for technicians and travelers who don't require a full enclosure.

The protective cases feature a convenient access door for the drive connector, enabling you to access data contents without having to remove the HDD from the case.

Backed by a StarTech.com 2-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Transporting 2.5in hard drives between locations
- Protection for spare 2.5in hard drives while not in use
