

18in Round Dual Drive Ultra ATA IDE Hard Drive Cable

Product ID: IDE100RND18

This 18in IDE Drive Cable is designed to fit as a new or replacement hard drive/CD-ROM cable in almost any size of computer case. The cable features a rounded design that can help increase airflow capabilities within the computer case, and provide easier access to internal computer components.

The rounded IDE cable provides two 40-pin female drive connectors, for connecting both a master and slave device to the motherboard IDE bus through a single cable, saving the install space and cost of a second cable.

Providing a cost-effective solution for connecting Ultra ATA 66/100/133 drives, this high quality IDE cable is backed by StarTech.com's Lifetime Warranty.

Certifications, Reports and Compatibility

Applications

- Rounded IDE cables are used anywhere that flat IDE ribbon cables are required.

Features

- Cables take up less area thereby reducing the clutter and allowing for better air flow
- Made of flexible rubber sheathing of various lengths which eliminates the need to relocate devices
- Cables are labelled to ensure proper connection between the system board, master and slave

- Ultra ATA 66/100/133 80 wire IDE cable
