

40-Piece Computer Repair Toolkit for Laptop/PC/Electronics/Phone, 30-Bit Precision Screwdriver Set, Removable Lid with Magnetic Pad, Prying Tools

Product ID: LAPTOP-TOOL-KIT

This compact toolkit equips technicians with high-quality tools needed for servicing laptops, desktops, tablets, and mobile devices safely and efficiently.

The set includes 30 S2 steel magnetic bits, Phillips, Torx, Pentalobe, Hex, Slotted, Tri-wing, Triangle, and SIM ejector styles. These bits offer quick access and compatibility across a broad range of devices, from Ultrabooks to smartphones.

This toolkit features a selection of essential pry tools, including triangle paddles, spudgers, and an ergonomic metal pry tool engineered for precision electronic repairs. These tools are designed to safely separate enclosures, offering a balance of durability, flexibility, and non-abrasiveness. Nylon tools reduce the risk of static discharge when working on sensitive electronics.

Kit includes an anodized aluminum screwdriver handle with magnetic tip and features a spinning cap for better torque control and comfort, as well as angled tweezers for tight spaces that provide a secure grip on tiny screws, connectors, or ribbon cables.

To streamline repairs, the detachable case lid doubles as a portable sorting tray and includes a magnetic pad to securely hold screws and small components, keeping the workspace organized and efficient.

Certifications, Reports and Compatibility

Applications

Features

- **ALL-IN-ONE REPAIR TOOLKIT:** Comprehensive toolkit for repairing laptops, desktop PCs, and other IT hardware; Ideal for technicians seeking reliable, high-quality tools for bench work or field service
- **PRECISION BIT SET:** Includes 30 hardened S2 steel magnetic driver bits Phillips, Torx, Pentalobe, Hex, Slotted, Tri-wing, Triangle, and SIM ejector; Foam insert keeps tools organized; Anodized aluminum screwdriver with knurled grip & spinning cap
- **ESSENTIAL PRY TOOLS:** Safely open electronic devices without scratching housings or damaging internal components with the included triangle paddles, spudgers, and ergonomic metal pry; Durable nylon tools help prevent static discharge related failures
- **THOUGHTFUL DESIGN:** Detachable lid can be positioned wherever needed during repairs and doubles as a sorting tray with a magnetic pad for screws and small metal parts
- **THE IT PRO'S CHOICE:** Designed and built for IT Technicians, this portable repair toolkit is backed for two years, including free lifetime 24/5 multi-lingual technical assistance

Hardware

Warranty	2 Years
Head Pattern	Phillips, Torx, Pentalobe, Hex, Slotted, Tri-wing, Triangle, and SIM ejector

Physical Characteristics

Color	Black
Materials	Aluminum
Product Length	9.8 in [250 mm]
Product Width	5.6 in [143 mm]
Product Height	1.4 in [34.5 mm]
Weight of Product	17.8 oz [503 g]

Packaging Information

Package Length	5.9 in [15.0 cm]
Package Width	10.6 in [27.0 cm]
Package Height	1.6 in [4.0 cm]
Shipping (Package) Weight	1.2 lb [0.5 kg]

What's in the Box

Included in Package	1 - Screwdriver Handle
	1 - Tool Case with Integrated Magnetic Pad
	4 - Triangle Spudgers
	1 - Metal Spudger (171mm)
	1 - Nylon Point-Blade Spudger (140mm)
	1 - Nylon Point-Blade Spudger (155mm)
	1 - Flat Metal Pry Tool with Ergonomic Handle (Device Opener Tool)
	1 - Angled Tweezers
	4 - Phillips bits (PH000, PH00, PH0, PH1)
	4 - Flathead Bits (2.0mm, 2.5mm, 3.0mm, 4.0mm)
	3 - Torx Bits (T4 x2, T5)
	5 - Torx Security Bits (T6H, T8H, T10H, T15H, T20H)
	3 - Pentalobe Bits (P2, P5, P6)
	4 - Hex Bits (0.7mm, 1.5mm, 2.0mm, 3.0mm)
	1 - Triangle Bit (2.0mm)
	3 - Tri-Point Bits (Y00, Y0, Y1)
	2 - Pozidriv Bits (PZ0, PZ1)
	1 - SIM Eject Bit
	1 - Product Documentation

Warranty Information

Warranty	2 Years
