

18in Right Angle Latching SATA Serial ATA Cable

Product ID: LSATA18RA2

The LSATA18RA2 Right Angle (90-degree) SATA Cable enables you to plug in your SATA hard drive in hard to reach areas or tight spaces, using right-angled SATA connectors to reduce the amount of space required at the connection point and supports full SATA 3.0 bandwidth of up to 6Gbps when used with SATA 3.0 compliant drives.

The latching connectors lock when connected to a supporting (latchable) SATA port, ensuring a snug, and secured data connection every time to prevent accidental disconnects.

Featuring a low profile, yet durable construction, the flexible design improves airflow and reduces clutter in your computer case, helping to keep the case clean and cool.

Constructed of only top quality materials and designed for optimum performance and reliability this 18" SATA cable is backed by our lifetime warranty.
