

6 ft Coax High Resolution Monitor VGA Cable w/ Audio - HD15 M/M

Product ID: MXTHQMM6A

The MXTHQMM6A 6-foot High Resolution VGA Monitor Cable with Audio is a high quality SVGA cable designed to provide the highest video quality possible through VGA - a single cable solution, for connecting both video between a VGA video card and monitor, and audio connections between a sound card and external audio device.

StarTech.com's high resolution VGA cable with audio features high quality male-to-male coaxial VGA cable, and is designed to eliminate picture "ghosting" and fuzzy images that are inherent to non-coaxial cables, while providing superior EMI interference protection by using ferrite cores near the connector ends.

The 6-foot SVGA cable (VGA Cable with Audio) is backed by StarTech.com's Lifetime Warranty.
