

10 ft 14 AWG Power Cord Extension - NEMA 5-15R to NEMA 5-15P

**Product ID:** PAC1011410

The PAC1011410 Computer Power Cord Extension Cable features a heavy gauge wire (14 AWG) that is suitable for handling high power loads, making it a reliable solution for connecting larger servers to PDU (Power Distribution Units).

This 10ft power extension cable extends your existing power connection by 10ft, enabling you to use the PC or another powered device at a greater distance from the power source/outlet.

This high quality replacement Power Extension Cord is backed by our Lifetime Warranty.

## Certifications, Reports and Compatibility

### Applications

- Extend an existing power cord by an additional 10ft
- StarTech.com's computer power extension cord saves space and conveniently connects large power adapters so you can maximize all your power/surge strip outlets

### Features

- One NEMA 5-15 plug, one NEMA 5-15 Receptacle
- Rated to carry 125V at 15A
- Offers higher power handling capacity - suitable for larger devices
