

3 ft External PCI Express x1 Extension Cable

Product ID: PCIE1X3

StarTech.com's external PCI Express cable (1x) provides a reliable external PCI Express connection that can be used in a wide variety of applications including consumer devices, industrial equipment, and PCIe enabled computers.

The PCIe x1 cable provides a shielded, dual-row cable-to-board I/O system supports data rates of up to 5 Gbps with 100 Ohm impedance.

This high quality cable is PCIe Generation I and II compliant, and is backed by StarTech.com's Lifetime Warranty.
