

Refurbished 12U 19in Hinged Wall Mount Server Rack Cabinet w/ Steel Mesh Door

**Product ID:** RK1219WALHMR

Refurbished units may have minor scratches or dents.

This refurbished 19in Wall Mounted Rack (hinged, 12U) offers a durable solution for mounting valuable server equipment, routers, switches and other networking equipment while saving space and hassle. The sturdy 12U rack features a high quality steel design and a vented, tempered glass door to help keep your rack mount equipment safe and cool.

A suitable addition to any server room, wiring closet, manufacturing area, warehouse or locale where networking equipment requires an added level of protection, the 12U rack accommodates 19" wall mount devices (19" depth) and features a rear-hinged design that makes it easier to access cabling and device ports.

Every refurbished server rack includes complete mounting hardware and accessories as intended with the original (non-refurbished) product, and are provided in the original packaging. Refurbished units may have small scratches in the paint on the metal casing, but all other components are as new. Backed by a 90-day replacement warranty,.
