

## 16 Port Rackmount KVM Console w/ 6ft Cables - Integrated KVM Switch w/ 19" LCD Monitor - Fully Featured 1U LCD KVM Drawer- OSD KVM - Durable 50,000 MTBF - USB + VGA Support

Product ID: RKCONS1916K

This 1U 16-port KVM console provides complete keyboard, monitor and mouse control for 16 computers. The rack-mount console installs into 1U of rack space, offering a space-efficient solution for complete console control.

This 16-port KVM switch provides all the essential controls you'll need to manage your server room at a low cost. The console features a built-in touchpad, keyboard for intuitive control and an LCD display that supports resolutions up to 1280x1024.

This versatile rack-mount LCD console has a 19 in. screen. The increased screen space enables you to run multiple applications on the same screen, maximizing your productivity.

The console slides out from 1U of rack space, enabling you to easily monitor and control 16 servers, and even more if connecting through a KVM switch. The rack-mount VGA console features a handle for easy sliding in and out of the server rack, keeping your area organized and clutter-free.

The rackmount LCD features a 16-port KVM module, allowing you to connect it directly to 16 servers. The KVM module offers the flexibility you need to easily integrate the console into your existing server infrastructure.

The RKCONS1916K is backed by a StarTech.com 2-year warranty and free lifetime technical support.

### Certifications, Reports and Compatibility

### Applications

- Control a single system, or dozens of KVM-connected computers

- Improve the internal space efficiency of your server cabinet
- Manage cabinet-mounted servers and KVM switches
