

## 10in SATA Serial ATA Data and Power Combo Cable

Productcode: SATA10POW

The SATA10POW SATA Data and Power Cable features a combination 22-pin SATA receptacle data and power connector as well as an Molex (LP4) power connector and SATA receptacle data connector, allowing you to create a conventional Serial ATA data connection to a computer while powering the drive through an LP4 connection to the computer power supply.

This high quality SATA power/LP4 adapter cable measures 10in, providing the flexibility required to position the SATA hard drive as needed within the computer case, while eliminating the expense of upgrading the computer power supply for the sake of SATA compatibility.

Constructed of only top quality materials and designed for optimum performance and reliability this 10" SATA data and power combo cable is backed by our lifetime warranty.

### Certificaties, rapporten en compatibiliteit

### Toepassingen

- Voor het installeren van SATA harde schijven, CD-RW-stations, DVD-ROM-stations in computers met een kleine vormfactor
- Voor toepassing in servers en opslagsystemen
- Voor het aansluiten van SATA-opslagarrays

## Eigenschappen

- 1x SATA (Data & Power) Receptacle
- 1x Molex (LP4) Power Connector
- 1x SATA Data Receptacle
- Ondersteunt de volle SATA 3.0 bandbreedte van 6 Gbit/s
- Compatible with both 3.5" and 2.5" SATA hard drives
- 25 cm lange kabel

### Hardware

|                  |                          |
|------------------|--------------------------|
| Garantiebeleid   | Lifetime                 |
| Type kabelmantel | PVC - Polyvinyl Chloride |

### Prestaties

|                  |                   |
|------------------|-------------------|
| Type en snelheid | SATA III (6 Gbps) |
