

Sun to PS/2 Keyboard Mouse Console Converter Adapter

Product ID: SV125

This convenient PS/2 interface converter lets you connect Sun workstations and servers to any PC KVM switch or extender.

Compatible with any Sun computer that has Mini 8-pin style keyboard and mouse connections, the Sun to PS/2 converter features a compact design and doesn't require an external power adapter saving valuable install space.

A time and cost-saving solution, the Sun /PS/2 peripheral converter supports keyboard power-on simulation for Sun workstations and hot-plug and play for PS/2 keyboards and mice.

The Sun to PS/2 converter includes the necessary cables to help reduce workspace clutter and confusion and is backed by StarTech.com's 2-year warranty and free lifetime technical support.
