

ESD Anti Static Wrist Strap Band with Grounding Wire

Product ID: SWS100

This durable ESD anti-static wrist strap helps you protect your valuable computer equipment from dangerous static electricity. The wrist strap/grounding bracelet offers hassle-free electrostatic grounding, allowing you to work freely on your computer without having to worry about static build-up, which could potentially damage computer components.

Designed and constructed to exceed IBM and US military static control standards, the grounding bracelet/ESD wrist strap is made from the highest quality static dissipative material to ensure the safe operation of your equipment.

This product is backed by StarTech.com's Lifetime Warranty.

Certifications, Reports and Compatibility
