

USB-A to USB-C Adapter, USB-A Male to USB-C Female Converter, USB 10Gbps, 5V 900mA, USB to USB C Adapter for USB-A Chargers/Hubs

Product ID: U32-AMCF-USBADAPTER

Connect a USB-C cable to a USB-A laptop or convert a USB-A port to Type-C using this compact USB-A Male to USB-C Female adapter. The compact, streamlined design ensures straightforward connectivity without blocking adjacent ports, and supports USB 10Gbps performance for fast data transfer.

The USB-A to USB-C adapter is universally compatible with any operating system. Simple plug-and-play setup enables instant deployment. The adapter supports USB 10Gbps and facilitates up to 5V/900mA output from a powered USB-A connection such as a wall charger. This enables consistent charging to a USB-C device from a USB-A source. Please note that USB-C video and Power Delivery are not supported.

The USB-A to USB-C adapter features a durable PVC housing that protects against everyday wear. Nickel-plated connectors ensure a flush fit to help reduce signal loss, providing reliable performance for frequent use.

Certifications, Reports and Compatibility

Applications

- Connect a USB-C device to a USB-A laptop, hub, or charger
- Charge a USB-C device with up to 5V/1.5A from a USB-A charger or port
- Slim, compact housing is durable and will not obstruct adjacent ports

Features

- **Add USB-C Connectivity to Any USB-A Host**: Use this slim USB-A Male to USB-C Female adapter to connect USB-C cables and portable devices to USB-A laptops, chargers, and hubs; Note: USB-C video and PD are not supported
- **Extend Legacy System Compatibility**: Access USB-C devices from compatible USB-A workstations, adding full USB 10Gbps performance on systems without native USB Type-C ports; This adapter works with USB-C peripherals only and does not support USB-C docks and video adapters
- **Quick Driverless Setup**: Simple plug-and-play installation requires no drivers and works across all operating systems; Attach the adapter to any USB-A port and connect your USB-C cable and device to start syncing or charging, up to 5V 900mA
- **Compact Form Factor**: Slim, compact design prevents the obstruction of adjacent device ports and is ideal for small laptops and USB hubs; Robust PVC outer housing enhances durability and wear protection
- **The IT Pro's Choice**: Our USB-C adapters and cables are rigorously tested in our in-house Innovation Lab for reliable performance, durability, and broad compatibility with a variety of devices; Backed by free lifetime 24/5 multi-lingual technical assistance

Hardware

Warranty	Lifetime
Active or Passive Adapter	Passive
Ports	1
Connector Plating	Nickel
Chipset ID	VL162

Performance

Maximum Data Transfer Rate	10Gbps
----------------------------	--------

Connector(s)

Connector A	1 - USB 3.2 Type-A (9 pin, Gen 2, 10Gbps)
Connector B	1 - USB 3.2 Type-C (24 pin, Gen 2, 10Gbps)

Power

Input Voltage	5V DC
Input Current	900mA

Environmental

Operating Temperature	0 to 40 (32°F to 104°F)
-----------------------	-------------------------------

Storage Temperature	-10 to 70 (14°F to 158°F)
Humidity	10%~90%

Physical Characteristics

Color	Black
Connector Style	Straight
Material	PVC
Product Length	1.6 in [4.0 cm]
Product Width	0.6 in [1.6 cm]
Product Height	0.3 in [7.6 mm]
Weight of Product	0.2 oz [5 g]

Packaging Information

Package Length	3.1 in [8.0 cm]
Package Width	3.9 in [10.0 cm]
Package Height	0.4 in [1.0 cm]
Shipping (Package) Weight	0.4 oz [11.5 g]

What's in the Box

Included in Package	1 - USB-A Male to USB-C Female Adapter
---------------------	--
