

1m (3 ft) Apple 30-pin Dock Connector to Left Angle USB Cable for iPhone / iPod / iPad with Stepped Connector

Produkt ID: USB2ADC1MUL

The USB2ADC1MUL Apple® (30-pin) Dock Connector to Left Angle USB Cable for iPhone®, iPod® and iPad® (1m) offers a simple and reliable solution for connecting iOS-enabled mobile digital devices to your computer, for syncing or charging.

The left-angled USB connector allows for connection in tight spaces while the stepped Apple Dock Connector, designed by StarTech.com, plugs into your iPhone, iPod or iPad even when inside a protective case, avoiding the inconvenience of having to constantly remove the cover for every charge.

This durable cable is Apple MFi certified and backed by our lifetime warranty to ensure dependable performance.

As an alternative, StarTech.com also offers a 1m Apple® 30-pin Dock Connector to Right Angle USB Cable (USB2ADC1MUR), which provides the same convenience as this left-angled cable, but allows you to connect to your PC or Mac® computer or your USB wall/vehicle charger from the opposite direction.

Certifikat, rapporter och kompatibilitet
