

1m (3 ft) Apple 30-pin Dock Connector to Right Angle USB Cable for iPhone / iPod / iPad with Stepped Connector

Product ID: USB2ADC1MUR

The USB2ADC1MUR Apple (30-pin) Dock Connector to Right Angle USB Cable for iPhone, iPod and iPad (1m) offers a simple and reliable solution for connecting iOS-enabled mobile digital devices to your computer, for syncing or charging.

The right-angled USB connector allows for connection in tight spaces while the stepped Apple Dock Connector, designed by StarTech.com, plugs into your iPhone, iPod or iPad even when inside a protective case, avoiding the inconvenience of having to constantly remove the cover for every charge.

This durable cable is Apple MFi certified and backed by our lifetime warranty to ensure dependable performance.

As an alternative, StarTech.com also offers a 1m Apple 30-pin Dock Connector to Left Angle USB Cable (USB2ADC1MUL), which provides the same convenience as this right-angled cable, but allows you to connect to your PC or Mac computer or your USB wall/vehicle charger from the opposite direction.

Certifications, Reports and Compatibility

Applications

- Charge your Apple devices from a computer, USB wall charger, or vehicle USB charger
