External USB 2.0 TV Tuner with Remote

Product ID: USB2TVTUNER

USB2TVTUNER lets you watch satellite, antenna, or cable TV, record your favorite TV programs, and play console gaming systems, on your laptop or desktop system! Comes with a full-function remote control, for living room comfort right in your office, bedroom, or dorm room.   Kick back and relax while surfing up to 181 channels, and enjoy audio output via external speakers or your PC sound card. Or, use the included video editing software to capture still and motion pictures.   Save money on the cost of a separate TV and VCR, and bring some fun to your workspace with the USB2TVTUNER. Backed by StarTech.com's 2-year warranty and FREE lifetime tech support.

Certifications, Reports and Compatibility
