0.6 m (2 ft.) Coiled Lightning to USB Cable - Lightning Charger Cable for iPhone / iPad / iPod - Apple MFi Certified - Lightning to USB Cable - White

Product ID: USBCLT60CMW

This coiled Lightning cable delivers the compact convenience you need to keep your mobile devices charged while you're driving, without cluttering up your car.

Simply plug the cable into your USB car charger and stretch it out to connect your mobile device when you need to charge it. You can extend the cable up to 2 ft (0.6m), to comfortably reach your car-mounted tablet or phone.

When you're not charging your mobile device, you can neatly store this compact cable in your car's storage console or glove box. Plus, it's portable enough to keep it in your laptop bag or carrying case, so you can have it handy when you arrive at your destination and use it as a conventional charge-and-sync cable.

The USBCLT60CMW coiled Lightning cable is Apple MFi certified and backed by StarTech.com's 2-year warranty.
