

15-Pin Female VGA Wall Plate with 3.5mm and RCA - White

Product ID: VGAPLATERCA

The VGAPLATERCA 15-Pin Female VGA Wall Plate features both 3.5mm and RCA audio jacks, to deliver an effective in-wall audio/video receptacle that provides an easy connection between a computer/PC VGA output and a projector or remote display (VGA equipped).

This VGA video wall plate (with audio) is easy to install, saving you space and reducing cable clutter, while providing a tidy and professional A/V installation.

Backed by StarTech.com's lifetime warranty, and free lifetime technical support.
